

Summary

Motivated and detail-oriented Web Developer with a strong foundation in front-end and back-end technologies. Skilled in HTML, CSS, JavaScript, and modern frameworks such as React and Node.js. Passionate about building responsive, user-friendly web applications and continuously learning new technologies. Adept at problem-solving, teamwork, and delivering clean, efficient code to meet project goals.

Education

Bachelor of Engineering (B.E) in Computer Science and Engineering

Adhiyamaan College of Engineering, Hosur

Year of Graduation : 2027

HSC

Vailankanni Matric Higher Secondary School

2022 – 2023

SSLC

Vailankanni Matric Higher Secondary School

2020 - 2021

Technical Skills

- **Frontend:** HTML, CSS, JavaScript, React.js
- **Backend:** Node.js, MongoDB (Basics)
- **Programming Languages:** Python
- **Tools & Platforms:** Git, GitHub, VS Code, Canva
- **Operating Systems:** Windows

Personal Projects

1. Portfolio Website

Developed a personal portfolio website using HTML, CSS, and JavaScript to showcase skills and projects. Designed with responsive layout for both mobile and desktop users

2. Mini Project

Developed an AI-enabled full-stack MERN web application that allows citizens to report civic issues with photos, geolocation, and descriptions. Integrated machine learning to automatically detect and classify reported issues (e.g., potholes, garbage, streetlights) and route them to the appropriate municipal department. Implemented RESTful APIs for real-time complaint tracking and resolution. Built a responsive React UI with geo-tag support, image uploads, and live updates. Included an admin dashboard for filtering, prioritizing, and efficiently managing complaints

Tech Stack: React, Node.js, Express, MongoDB, REST APIs, Socket.io, Multer, Git

Internship Experience

Front-End Development Intern – Code Alpha (Online)

Completed a virtual internship focused on front-end technologies including HTML, CSS, and JavaScript. Developed responsive web pages and enhanced UI components.

Certificate & Workshop

- Participated in Network Workshop conducted by Adhiyamaan College of Engineering
- Attended “Exploring Automotive Innovation: A Journey Through AR and VR” workshop, gaining insights into Augmented and Virtual Reality applications
- Participated in a Common Aptitude Test and received a certificate for successful completion.
